

Monday, 8:17 A.M.

Ah, island living....no freeways, no morning rush, why there isn't even one traffic light on the entire island of Martha's Vineyard. If you're ready to get away from it all and are thinking about moving, retiring or vacationing at one of the most beautiful, unspoiled places in the U.S, call me.

I did it, and so can you. Martha's Vineyard...an island paradise.
